 Subject: A LETTER FROM GRADUATE ENGINEER OF AIT AT SWEDEN
 To: "principal@adithyatech.com" <principal@adithyatech.com>

Hi Sir

How are you?

I am Swathanandan, I did my Bachelors in mechanical engineering at AIT. I am currently doing my masters in Production engineering at Chalmers university of technology, Sweden. I would like to thank you for your guidance and advice which helped me shape myself. I would like to help the students who are aspiring to do their higher education by telling them about the culture and educational system of Europe. I would like to hear from you about the kind of service that I could render college.

Dear Students / Faculty,

Kindly refer to the above mail sent to me by **Shri.Swathanandan**, passed out student of Mechanical Engineering and currently pursuing his masters in Sweden.

He has come forward to help and share details to students of AIT who aspire to takeup their higher studies in abroad particularly in Europe.

Those students who are interested to get more details, may contact Shri.Swathanandan at his mail ID given above.
