

Congratulations

Let us all congratulate Prof. V.S.VELLADURAI and the following students who as a team (AIT Innovators) submitted a project titled, "Load measurement of excavators" to Robert Bosch and got selected for the second phase of screening.

Reg.No.	Student Name	Class	Name of the Guide
710113106002	ANADKUMAR.G	Final Year ECE	V.S.VELLADURAI
710113106016	HARIPRASATH.S	Final Year ECE	
710113106036	NAVYA.S	Final Year ECE	

The screen shot of the selection result is given here.

The screenshot shows the Bosch DNA website interface. At the top, there is a navigation bar with the Bosch DNA logo and links for ABOUT, FAQ, RULES, PARTNERS, CONTACT, and a LOGIN button. Below the navigation bar, the page displays the following information:

695 Horizon IIT Patna Patna

Load measurement of excavators

ID	Team Name	College	Location
216	Star-TrECH	Govt. Model Engineering College	Kochi
688	AIT Innovators	AIT	Coimbatore

Below the table, there is a footer section with the following content:

BOSCH MAKEATHON 2016
Bosch has a list of problem statements and we are looking for solutions. The best solutions will win cash prize and also have the option to create a startup funded by Bosch and be incubated at Maker Village,
