AIT/IC/	INTERNAL ASSESSMENT TEST-I	Academic year: 2017-2018	Sem:04	08.01.2018
---------	-----------------------------------	--------------------------	---------------	------------

The Internal Assessment Test for fourth semester UG students is scheduled as per the following time table.

IA 1	TIME	MECH	ECE	EEE	CSE	IT	CIVIL
18/01/2018	09.30 am to 12.30pm	Statistics and Numerical Methods	Probability and Random Processes	Numerical Methods	Probability and Queueing Theory	Probability and Queueing Theory	Numerical Methods
19/01/2018	09.30 am to 12.30pm	Kinematics of Machinery	Electronic Circuits II	Electrical Machines - I	Operating Systems	Operating Systems	Construction Materials
20/01/2018	09.30 am to 12.30pm	Manufacturing Technology - II	Communication Theory	Object Oriented Programming	Design and Analysis of Algorithms	Design and Analysis of Algorithms	Strength of Materials
22/01/2018	09.30 am to 12.30pm	Engineering Materials and Metallurgy	Electromagnetic Fields	Transmission and Distribution	Microprocessor and Microcontroller	Microprocessor and Microcontroller	Applied Hydraulic Engineering
23/01/2018	09.30 am to 12.30pm	Environmental Science and Engineering	Linear Integrated Circuits	Discrete Time Systems and Signal Processing	Software Engineering	Software Engineering	Surveying II
24/01/2018	09.30 am to 12.30pm	Thermal Engineering	Control System Engineering	Measurements and Instrumentation	Computer Networks	--	Soil Mechanics

The regular classes will function from 5th hour (at 01:25 pm) onwards.

Circulated to
Students
Faculty thru' HODs

AIT/IC/	INTERNAL ASSESSMENT TEST-I	Academic year: 2017-2018	Sem:06	08.01.2018
---------	-----------------------------------	--------------------------	---------------	------------

The Internal Assessment Test for Sixth semester UG students is scheduled as per the following time table.

IA I	TIME	MECH	ECE	EEE	CSE	IT	CIVIL
18/01/2018	09.30 am to 12.30pm	Design of Transmission Systems	Principles of Management	Communication Engineering	Distributed Systems	Distributed Systems	Design of Reinforced Concrete & Brick Masonry Structures
19/01/2018	09.30 am to 12.30pm	Principles of Management	Computer Architecture	Solid State Drives	Mobile Computing	Mobile Computing	Structural Analysis II
20/01/2018	09.30 am to 12.30pm	Automobile Engineering	Computer Networks	Embedded Systems	Compiler Design	Compiler Design	Design of Steel Structures
22/01/2018	09.30 am to 12.30pm	Finite Element Analysis	VLSI Design	Power System Operation and Control	Artificial Intelligence	Artificial Intelligence	Railways, Airports and Harbour Engineering
23/01/2018	09.30 am to 12.30pm	Gas Dynamics and Jet Propulsion	Antenna and Wave propagation	Design of Electrical Machines	Digital Signal Processing	Software Architectures	Environmental Engineering II
24/01/2018	09.30 am to 12.30pm	Unconventional Machining Process	Operating systems	Power System Transient	Data Warehousing and Data Mining	Advanced Database Technology	Concrete Technology

The regular classes will function from 5th hour (at 01:25 pm) onwards.

INTERNAL ASSESSMENT TEST-I

Academic year: 2017-2018

Sem:08

08.01.2018

The Internal Assessment Test for Eighth semester UG students is scheduled as per the following time table.

IA I	TIME	MECH	ECE	EEE	CSE	IT	CIVIL
18/01/2018	09.30 am to 12.30pm	Engineering Economics	Wireless Communication	Electric Energy Generation, Utilization and Conservation	Multi-Core Architectures and Programming	Service Oriented Architecture	Principles of Management
19/01/2018	09.30 am to 12.30pm	Production Planning and Control	Wireless Networks	Power Electronics for Renewable energy Systems	Social Network Analysis	Social Network Analysis/Cyber Forensics	Prefabricated Structures
20/01/2018	09.30 am to 12.30pm	Advanced I.C. Engines / Non Destructive Testing and Materials	Professional Ethics in Engineering	Professional Ethics in Engineering	Professional Ethics in Engineering	Professional Ethics in Engineering	Repair and Rehabilitation of Structures
22/01/2018	09.30 am to 12.30pm		Cryptography and Network Security			Software Project Management	

 The regular classes will function from 5th hour (at 01:25 pm) onwards.
